This technical drawing is an exploded view of a mechanical assembly, showing 16 numbered components. The main body is a large, curved housing (1). A rectangular plate (3) is positioned at the top, secured by a screw (2). A long, thin strip (4) is shown to the right, with an arrow indicating its placement along the top edge of the main body. A smaller, curved component (13) is shown at the top left, with a dashed line indicating its fit into the main body. A bracket-like part (12) is shown below it, secured by a screw (11). A rectangular plate (8) is shown at the bottom left, secured by a screw (7). A larger, curved plate (5) is shown in the center, with a dashed line indicating its fit into the main body. A rectangular plate (6) is shown at the bottom right, secured by a screw (7). A small, rectangular component (10) is shown near the bottom left, secured by a screw (9). A small, rectangular component (14) is shown at the top left, secured by a screw (15). A small, rectangular component (16) is shown near the top center, secured by a screw (16).
